Adjunct Services

"Your Caring Professionals"

**Case Management
&
Cost Containment Services**

TELEPHONIC CASE MANAGEMENT

OCS Telephonic Case Management SERVICES:

- Tailored to your needs as to the amount of time and involvement needed
- Averages approximately 2-4 hours per month
- Monthly reports emailed to update you on progress and status
- National network of resources allows us to make a personal visit if circumstances require it
- Will obtain all records and documentation for your files and follow up with health care professionals treating the client
- Volume discount available
- Bill review and negotiation of payment can be included in service if desired

MEDICAL RECORD REVIEW

OCS Medical Record Review SERVICES:

- Medical records reviewed and analyzed by an RN with years of experience as an adjuster
- Medical records and reports can be summarized for pertinent information that you request and/or need and reported on a spreadsheet, chronologically and by provider
- Review medical bills for relatedness to an injury or incident, identify codes and define what is reasonable and customary

LIFE CARE PLANS & MEDICAL ASSESSMENTS

OCS Life Care Plans and Comprehensive Medical Assessment SERVICES:

- Estimates medical and non-medical needs of a person with catastrophic illness or injury
- Address and project the costs and frequency of needed goods and services over the injured person's lifespan
- Used to determine medical costs for personal injury, medical malpractice, or workers' compensation claims
